I've attached pages 2 and 3 of the DA. Our obligation is at the bottom of page 2, top of page 3.

1. \$150,000.00 within 10 days of EDCW's receipt of copy of City's approval of the underground plumbing inspection and approval of the foundation and EDCW's verification of foundation
2. \$150,000.00 within 10 days of EDCW's receipt of copy of Certificate of Occupancy and EDCW's verification of commencement of operations.

To my knowledge, we have not received a copy of the City's approval of the underground plumbing. There is none in the file.
